## NAMING RIGHTS FOR NEW RINK SCOREBOARDS.

### EXCITING OPPORTUNITY

Dear Members,

This year our Club intends to replace all the old rink scoreboards on both greens facing north/south.

To fund the project the Club is offering all Members the opportunity to purchase the naming rights for each of the sixteen new scoreboards. The naming right, including personalised wording on an appropriate plaque will be available at a cost of \$500 per scoreboard and will remain in place for a period of five years.

Please advise Robyne Schwarz on 0417 329 757 or at [rschwarz@optusnet.com.au](mailto:rschwarz@optusnet.com.au) if you would like to reserve a scoreboard.

As there are only sixteen scoreboards, naming rights will be allocated on a "first come first reserved" basis.

Your support will be appreciated.

## SPONSORS

Our valued Sponsors are a very important part of our Club community with Sponsors contributing about 10% of our annual revenue. Can we ask that you please be aware of who our Sponsors are, by checking in the Fixture Book or on our website and on the board in the Clubroom. Whenever possible, please support them and make it known to them that you are a member of the Armadale Bowls Club.

Also, if you have an idea or suggestion as to who could be approached as a possible Sponsor, please advise Jack Cooper,

Robyn Schwarz or Rob Millingen, who will follow up the lead. We all have wide circles of contacts who could provide a source of new Sponsors.

Your assistance will be greatly appreciated and benefit your Club.

## CARTOONS OF THE WEEK.

"I hope this is the right wine for reading and ignoring each other."

"Can't we talk about something other than the way I parked the car?"

## JOKES OF THE WEEK

A little girl was talking to her teacher about whales. The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal its throat was very small. The little girl stated that Jonah was swallowed by a whale. Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible. The little girl said, 'When I get to heaven I will ask Jonah'. The teacher asked, 'What if Jonah went to hell?' The little girl replied, 'Then you ask him'

A Kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work. As she got to one little girl who was working diligently, she asked what the drawing was. The girl replied, 'I'm drawing God.' The teacher paused and said, 'But no one knows what God looks like. Without missing a beat, or looking up from her drawing, the girl replied, 'They will in a minute.'

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head. She looked at her mother and inquisitively asked, 'Why are some of your hairs white, Mum?' Her mother replied, 'Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white.' The little girl thought about this revelation for a while and then said, 'Mummy, how come ALL of grandma's hairs are white?'

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture. 'Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer, she's a lawyer,' or 'That's Michael, He's a doctor.' A small voice at the back of the room rang out, 'And there's the teacher, she's dead.'
