SPONSORS

Our valued Sponsors are a very important part of our Club community with Sponsors contributing about 10% of our annual revenue. Also, if you have an idea or suggestion as to who could be approached as a possible Sponsor, please advise Jack Cooper, Rob Millingen or Buddy Budlender, who will follow up the lead. We all have wide circles of contacts who could provide a source of new Sponsors

In the coming months, a member of the sponsorship committee may contact you personally to ask if you can assist by providing the name of a company or service provider who might be a potential sponsor. Your assistance will be greatly appreciated and benefit your Club.

To fund this project the Club has offered all members the opportunity to have naming rights for the donation of a scoreboard. The naming right, including personalised wording on a plaque is available for \$500 per scoreboard and the plaque will remain in place for a period of five years.

To date, 11 of the north-south scoreboards have been donated and 5 remain, with 7 of the east-west scoreboards also still available.

If you would like to donate a scoreboard and support the Club in this manner, please contact Jack Cooper on 0402 464 454 or jncooper@bigpond.net.au

Your support will be greatly appreciated.

JOKES OF THE WEEK.

A woman and her 12-year-old son were riding in a taxi in Detroit. It was raining and all the prostitutes were standing under awnings.

"Mom," said the boy, "what are all those women doing?"

"They're waiting for their husbands to get off work," she replied.

The taxi driver turns around and says, "Geez lady, why don't you tell him the truth? They're hookers, boy! They have sex with men for money."

The little boy's eyes get wide and he says, "Is that true Mom?"

His mother, glaring hard at the driver, answers "Yes."

After a few minutes the kid asks, "Mom, if those women have babies, what happens to them?"

She said, "Most of them become taxi drivers."

Students in an advanced Biology class were taking their mid-term exam.

The last question was, 'Name seven advantages of Mother's Milk.'

The question was worth 70 points or none at all.

One student was hard put to think of seven advantages. He wrote:

- 1) It is perfect formula for the child.
- 2) It provides immunity against several diseases.
- 3) It is always the right temperature.
- 4) It is inexpensive.
- 5) It bonds the child to mother and vice versa.
- 6) It is always available as needed.

And then the student was stuck. Finally, in desperation, just before the bell rang indicating the end of the test he wrote:

- 7) It comes in two attractive containers and it's high enough off the ground where the cat can't get it.

He got AAs

An elderly, but hardy cattleman from Texas once told a young female neighbor that if she wanted to live a long life, the secret was to sprinkle a pinch of gunpowder on her oatmeal each morning.

She did this religiously and lived to the age of 103.

She left behind 14 children, 30 grandchildren, 21 great-grandchildren, five great-great-grandchildren,

And a 40 foot hole where the crematorium used to be!

CARTOONS OF THE WEEK.

"Good news, bad news.
This morning I landed the Patterson account.
But only on my Playstation 3."

"Good news.
Your cholesterol has stayed the same,
but the research findings have changed."
