## STATE CHAMPIONSHIPS REPORT- BENDIGO

Desiree Macauley with her partner Lorraine Burke(Clayton) won their section, going on to win their quarter final match before losing in the semi final in the pairs event.

Desiree then teamed up with her former team mates from Caulfield Park Alma, Jean Meltzer and Ann McCarthy to play in the triples. Once again they won their section before a one shot victory over a highly rated opposition ensured another semi final spot.

Would you believe it but another one shot win in the semi final and they are in the final.

However the good news ends with the side unable to clinch the gold medal in the final.

Congratulations to Desiree on a great performance.

For the record Ann McCarthy also made the final of the singles before losing.
