COACHING PLAN FOR 2016/17 SEASON

The coaching subcommittee of Gaby Cohen, Stan Todes, Alan Faigen, Garry Barnett, Tom Weisler and myself have been very busy over the last few months and together with our new Head Coach, Paul Williamson, and all of our hardworking club coaches, we are very excited to present to members our coaching plans for the 2016/17 season.

In summary it will be as follows:

- Midweek Pennant team coaching will continue to take place between 9:30am and 12:00pm on Thursdays under the leadership of Paul
- Thursdays between 12:30pm and 4:30pm Paul, with the assistance of Club Coaches, will conduct individual coaching sessions for both Midweek and Saturday Pennant players.
- Thursdays between 4:30pm and 6:30pm will be Saturday Pennant Teams 1 to 4 official practice. Paul will lead this session, with the assistance of club coaches, and while it is specifically designed for the first 4 teams, any player is welcome to attend.
- Fridays between 10:00am and 12:00pm will be Saturday Pennant Teams 5 to 9 official practice. Alan Faigen will lead this session, with the assistance of club coaches, and while it is specifically designed for the teams 5 to 9, any player is welcome to attend.
- Saturdays between 9:30am and 11:00am, Paul will also be conducting individual coaching sessions for Saturday Pennant players.
- Sundays between 10:00am and 12:00pm will continue to be a coaching session specifically designed for new bowlers led by Leon Cohen who will be well supported by other club coaches. They will continue to teach the fundamentals of the game through the "In the Groove" method and Bernard Levin will be overseeing the rosters and ensure everything runs smoothly.
- In addition, we will be introducing "Skills Assessments" under the organisation of Garry Barnett. This will be a range of voluntary exercises that is designed for better bowlers but will be available for all to complete. The benefits of this assessment is that it will provide a personal point of measure for yourself and you will be able to measure your level of improvement over the course of the season. Garry will soon be in a position to provide all members with more details.

Also, the following will be taking place:

- August 2016
- Every Thursday between 2:00pm and 5:00pm
- Optional Pre Season Training/Coaching
- Paul will be at the Club for individual coaching and team practice

We have no doubt that the plans outlined above, if embraced by the members through their commitment and attendance, will lead to an improved performance individually and the subsequent team success that follows.

Regards

Steven Rubenstein

ALMONER'S REPORT(Cedric Gould)

Allan Roth has been hospitalised by an attack of pneumonia, and should be out of Hopetoun Rehab. by the weekend.

May I recommend that all persons 65+ years of age consider immunisation against pneumonia, if they have not yet done so.

The Government covers the cost so see your G.P.

Trevor Battersby's recovery is taking longer than he thought.

Please contact Cedric on 0412-489-545 if anyone is ill or in hospital.

TOM MACAULAY- MANAGER OF SIDE MANAGERS

Tom Macaulay has accepted a request from the board to assist the side managers improve their skills and knowledge of the rules of the competition.

Besides completing the necessary paperwork the managers must have a good understanding of rules relating to heat and inclement weather and also poor behaviour matters.

He will work closely with Hunny Lipson who looks after the midweek managers.

2016-17 PENNANT SIDES

Sides 8 and 9 entered for Saturday Pennant

More than 140 players have confirmed that they will be playing Saturday Pennant this coming season.

Our numbers have enabled us to enter 2 new Pennant Sides, which will be known as Sides 8 and 9.

They will play a 21-end Two-Bowl Triples format.

Last year it proved to be very successful with more than 70 teams entered; and this number is expected to grow even further this season.

This is an innovative opportunity for us, if last year's exceptional availability rate continues, together with this very good number of players registered.

This popular new Triples format has replaced Division 8 (with 16 players) which was available in the past.

How will it work

We have requested Bowls Victoria to accommodate both Sides 8 and 9 in the one Section.

Otherwise it is expected one of the Sides will be travelling to all parts of Melbourne.

But together, we anticipate they will play a lot closer to 'home'.

We have also requested that both Sides play at 'home' on the same day due to greens availability, and team spirit amongst the 12 players.

Many Considerations

We have followed Bowls Victoria's requirement to allow for 15% excess players to allow for general unavailability.

We have also fully considered the feedback of our players who did not get to play each week last year due to our record surpluses.

Their resounding message was to select on merit, which will now apply.

We also assure members that each of these factors have been fully considered, both to try and meet the needs of our Players and to ensure we meet the Club's administration responsibilities.

What Happens if you Don't get a Game

Players who don't get a game will be offered to play at Bentleigh Club. Bentleigh hosts players from all local areas to enjoy a game.

It is not a Pennant game, but very pleasant. These fees will be paid by the Club.

Coaching Opportunities

As you will read in the Newsletter also, opportunities for members in our lower sides to attend coaching on a Friday morning is something new.

As most of the selectors practice on a Thursday, we will have the opportunity on a Friday morning to interact more with you and get to know your games.

This can involve as many as 60 players with Alan and different selectors.

If you aren't able to make in on a Friday morning, everyone is very welcome to attend on Thursdays as usual.

JOKES OF THE WEEK

Bachelors know more about women than married men; if they didn't, they'd be married too.

20 years ago we had Johnny Cash, Bob Hope and Steve Jobs. Now we have no Cash, no Hope and no Jobs.
Please don't let Kevin Bacon die!

A child's observation: If a mother laughs at dad's jokes, we have guests.

When a guy says he likes girls with a sense of humor, he doesn't mean that he wants a girl to be really witty and funny. He means he wants her to laugh at his jokes.

That moment when you check your time on your phone and have to check again 10 seconds later because you weren't paying attention the first time.

A judge enters the court room and starts the proceedings, saying: „Before this process starts in earnest, there is one thing I have to clear first. The plaintiff gave me \$ 10,000 so I would rule in their favor. The defendant gave me \$ 12,000 so I would rule in their favor. To make this case a fair one, I'm hereby returning \$ 2,000 to the defendant.“

Doctor: You're obese.

Patient: Whoa, for that I definitely want a second opinion.

Doctor: You're quite ugly, too.

Doctor, how can I live longer than 100 years?

Do you smoke?

No.

Do you eat too much?

No.

Do you go to bed late?

No.

Do you have affairs with promiscuous women?

No.

Then why would you want to live more than 100 years

A student at a management school came up to a pretty girl and hugged her without any warning.

The surprised girl said, "What was that?"

The guy smiled at her, "Direct marketing!"

The girl slapped him soundly.

"What was that?!" said the boy, holding his cheek.

"Customer feedback."
