## RULES

Rules- some common questions...

The game has commenced and the mat has been placed off the centre line. What should happen?

Answer: If at any stage the mat is off the centre line it must be moved to that line.

Can I turn the mat over at any time to play my bowls?

Answer: Yes. To get a better grip, you can turn the mat over and but you must put it back in its original position

The Jack has not been centered and a bowl has been delivered. Can you centre the jack?

Answer: No, after the first player to play has delivered the first bowl, no one has the right to challenge the legality of the original position of the jack. The jack remains there until the completion of that end.

In Pennant when 3 v 4 players who carries the card? Who signs it?

Answer: The skips do, you must make sure that the duties are transferred to players whose positions, in order of play, are the same in each team. A player required to keep the card under these circumstances cannot refuse to do so. As per duties, whoever carries the scorecard signs the card at the end of the game.

Can clubs play music during a pennant game?

Answer: Yes, provided the level of sound does not impinge upon the conduct of any pennant games.

Can players proceed down the green while a bowl is in course?

Answer: The player who has delivered the bowl has possession of the rink and should have the benefit of observing the progress of their bowl without being obstructed by players who may be moving down the green in front of them. The first time it happens the Umpire would warn the player. If the player offended again the last bowl played by that player or team would be declared dead.

Can a pennant side still wait 30 minutes to commence a game if they wish?

Answer: Yes it is still permissible to wait 30 minutes after the scheduled time for a game.

If I am at the head can I use my fingers to guesstimate the distances between bowls?

Answer: Yes you can. No official equipment can be placed between the jack and bowl before the end is completed. Therefore the cross fingers used by the players is perfectly legitimate, as it is purely an estimate (although a pretty good one) that is conducted above the head and not between the two objects. However mats, lifters or feet shouldn't be placed between bowl and jack.

## FACEBOOK/TEAM APPS

Please join our Facebook and Team Apps. Sites.

It has been brought to our attention that on FACEBOOK there are TWO home pages. Not sure how this has happened but we are trying to delete one page. The correct page is headed "ARMADALE BOWLS CLUB SPORTS VENUE & STADIUM. You can access this direct from the club's web page.

We request every member has the Team App on their mobile phones as this will be our way of communicating urgent messages re pennant changes etc. on Tuesday and Saturdays.

Anyone requiring help to download these apps. Please contact myself on 0402-428-456

## ALMONER'S REPORT(Cedric Gould)

Please contact Cedric on 0412-489-545 if you wish to be named in the Almoner's Report

## WEDNESDAY SOCIAL BOWLS

Our new season of Wednesday triples start Wednesday 7th September 2016, at 12.30 til 4.00 pm.

You can form your own teams or come as a single entry and I will make a team for you. We have had great success in previous years and look forward to seeing as many of you as possible.

Members from other clubs are welcome.

Contact David Janover on 0412 113 271. List is in the shed.

## DUTY RINKS

Duty rinks will be introduced this season for Saturday pennant. One rink per side will be selected each week. Details of their responsibilities will be made available.

This has worked very successfully for many years for midweek pennant and we ask every member to assist when it is their turn.
