A flyer will be sent to members in September/October, seeking deposits in November.

RULES

Rules- some common questions...

What happens if play is interrupted because of rain, lightening?

Answer: If a player or a group of players (on their own undertaking) decide to come off the green for whatever reason (for example, not wanting to get wet, lightning, or to get wet weather gear), then play continues when players return to the green. Uncompleted ends are not to be declared dead.

What happens if a player does not turn up?

Answer: if 30 minutes past the start time, the option is to appoint a substitute (cannot skip) or team has to play with 3 players, play as if the second is missing and skips carry the cards.

If the player turns up later, they must take their original place in the team at the completion of the end.

Who do you do if you are feeling unwell?

Ask permission from your opponent to leave the green. If they refuse, ask your skip to/ or directly approach the umpire.

If unable to return in 10 minutes, the option is to use a substitute or play with 3 players. If some time after the 10 minute period you feel okay to carry on, you must take your place in your original position in the team.

What happens if a player plays out of turn during a game?

Answer: The opposing skip can stop the bowl and return it. If the head is not disturbed the bowl can be returned to the player or left on the green and the opposing player plays two bowls in a row to restore the correct order. If the head is disturbed the opposing skip can decide to either leave the disturbed head then his team play two bowls, or restore the head to its former position and return the bowl or declare the end dead.

JOKE OF THE WEEK

Two women were playing golf

One teed off and watched in horror as her ball headed directly toward a foursome of men playing the next hole.

The ball hit one of the men.

He immediately clasped his hands together at his groin, fell to the ground and proceeded to roll around in agony.

The woman rushed down to the man,

'Please allow me to help.

I'm a Physical Therapist and I know

I could relieve your pain if you'd allow me, she told him.

'Oh, no, I'll be all right.

I'll be fine in a few minutes,' the man replied.

He was in obvious agony, lying in the fetal position, still clasping his hands there at his groin.

At her persistence,

however, he

finally allowed her to help.

She gently took his hands away and

laid them to the side, loosened his pants and put her hands inside.

She administered tender and artful massage

for several long moments

and asked, 'How does that feel?'

He replied: It feels great, but I still

think my thumb's broken!

CARTOONS OF THE WEEK

Thanks to Tony Powell , who's club hosted a tournament for visually impaired bowlers .
The participants had a meal and a while beforehand one of the bowlers who was standing at the hatch of the kitchen asked one of the catering staff what the match meal was. Innocently she suggested he look at the menu on the adjacent notice board, much to her embarrassment
