## JOKE OF THE WEEK(Thanks to Sima Garfield)

This morning I was sitting on a park bench next to a homeless man. I started a conversation by asking him how he ended up this way. He said, "Up until last week, I had it all. I had plenty to eat, my clothes were washed and pressed, I had a roof over my head, I had TV and Internet, and I went to the gym, the pool, and the library. I was working on my MBA on-line. I had no bills and no debt. I even had full medical coverage. I was living the dream" he sighed heavily. "It slips away so quickly" I felt sorry for him, so I asked, "What happened, Drugs, Alcohol, Divorce,

Market crash, Death in the family?"

"Oh no, nothing like that," he said. "I got out of prison."
