NEW PROGRAM INITIATED

Armadale Members Selected to Represent our Club in Sandbelt and State Tournaments

Many of our Members have been successful in Sandbelt Tournaments , which is the entry point to continuing on to compete against other Regions in the State.

This year we have nominated and funded 20 Members to specifically represent Armadale.

Some of these matches are already underway; and our players have had great experience and very strong games.

In particular you have seen in our Newsletter and other communications that Xavier Cerreto won the Mens' Over 60's Tournament; and will now compete against other Regions in November. We congratulate Xavier on this success, and of course a great next round which we will be following closely.

The objective of the program is:

- to recognise talented players who are very experienced;
- and to develop and encourage those with potential in their competitive bowling.

The Program will be Co-Ordinated by Desiree Macaulay, who has been appointed by the Board.

Desiree has had a huge amount of personal success in many State Tournaments; and her experience is invaluable in encouraging others.

It is intended that the Selections offer 10 Places each (approximately) to Women and Men, or representatives of Midweek and Saturday Pennant.

Congratulations to each of our representatives. We look forward to seeing your Armadale Shirt out there on the green, and to encouraging you along the way. All the experience that they have is great experience; and we wish them all Great Bowling.

Our representatives are:
