SPONSORS

Our valued Sponsors are a very important part of our Club community with Sponsors contributing about 10% of our annual revenue. Can we ask that you please be aware of who our Sponsors are, by checking in the Fixture Book or on our website and on the board in the Clubroom. Whenever possible, please support them and make it known to them that you are a member of the Armadale Bowls Club.

Also, if you have an idea or suggestion as to who could be approached as a possible Sponsor, please advise Jack Cooper, Robyne Schwarz, Lorraine Kindler or Rob Millingen, who will follow up the lead. We all have wide circles of contacts who could provide a source of new Sponsors

In the coming months, a member of the sponsorship committee may contact you personally to ask if you can assist by providing the name of a company or service provider who might be a potential sponsor. Your assistance will be greatly appreciated and benefit your Club.

JOKE OF THE WEEK

Doctors are Normal

1... At the beginning of my shift I placed a stethoscope on an elderly and slightly deaf female patient's anterior chest wall.

'Big breaths,' . . . I instructed. 'Thank you, but you should have seen them when I was younger'
. . . replied the patient.

2. One day I had to be the bearer of bad news when I told a wife that her husband had died of a massive myocardial infarct.

Not more than five minutes later, I heard her reporting to the rest of the family that he had died of a 'massive internal fart.'

3. While acquainting myself with a new elderly patient, I asked, 'How long have you been bedridden?'

After a look of complete confusion she answered . . . ' Not since my husband passed away 20 years ago.'

4. A nurse was on duty in the Emergency Room when a young woman with purple hair styled into a punk rocker Mohawk, sporting a variety of tattoos, and wearing strange clothing, entered.....

It was quickly determined that the patient had acute appendicitis, so she was scheduled for immediate surgery...

When she was completely disrobed on the operating table, the staff noticed that her pubic hair had been dyed green and above it there was a tattoo that read . . . ' Keep off the grass.'

Once the surgery was completed, the surgeon wrote a short note on the patient's dressing, which said 'Sorry . . . had to mow the lawn.'

5. Baby's First Doctor Visit. A woman and a baby were in the doctor's examining room, waiting for the doctor to come in for the baby's first exam. The doctor arrived, and examined the baby, checked his weight, and being a little concerned, asked if the baby was breast-fed or bottle-fed.

'Breast-fed,' she replied...

'Well, strip down to your waist,' the doctor ordered.

She did. He pinched her nipples, pressed, kneaded, and rubbed both breasts for a while in a very professional and detailed examination. Motioning to her to get dressed, the doctor said, 'No wonder this baby is underweight.

You don't have any milk.'

'I know,' she said, 'I'm his Grandma, but I'm glad I came.'
